PSYCHOLOGY

Bachelor of Arts

Cornerstone is an independent, not-for-profit higher education institution engaged in teaching and learning in service of others, to advance human dignity and social justice for all.

 +27 (0) 21 448 0050

 4th Floor, 2 Roggebaai Square,
Foreshore, Cape Town, 8001.

WHY STUDY PSYCHOLOGY?

Ever wonder why your friends and family behave the way they do?
Why some people seem more functional than others?

Come and learn about why people think, feel and behave the way they do.

What is Psychology?

Psychology is the scientific study of behaviour and the mind.

The purpose of Psychology is to:

- 1) Describe how people behave
- 2) Understand the causes of these behaviours
- 3) Predict how people will behave under certain conditions.
- 4) Influence behaviour through the control of its causes.
- 5) Apply psychological knowledge in ways that enhance human welfare.
