

CONVENIENT,  
SECURE COLLECTIONS

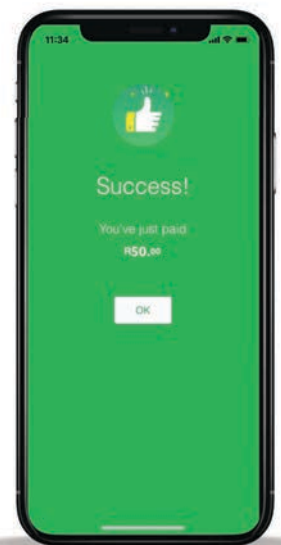

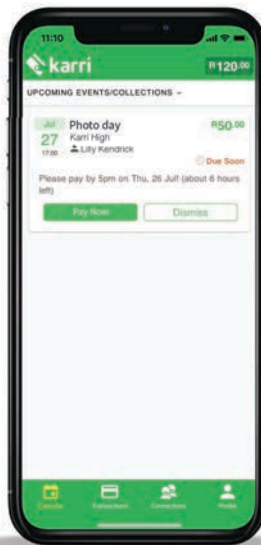

POWERED BY  NEDBANK

## What is Karri?

Karri is a mobile payment app that allows you to make quick and easy payments off your mobile phone, for events loaded by your friends, family, schools or organisations. Instead of scrambling to find the correct amount of cash, or having to copy across banking details for EFT's, Karri allows you to make instant payments off your phone at the touch of a button.
