

Moodle LMS Student Login & Access Guide

STUDENT LEARNING PLATFORM – MOODLE

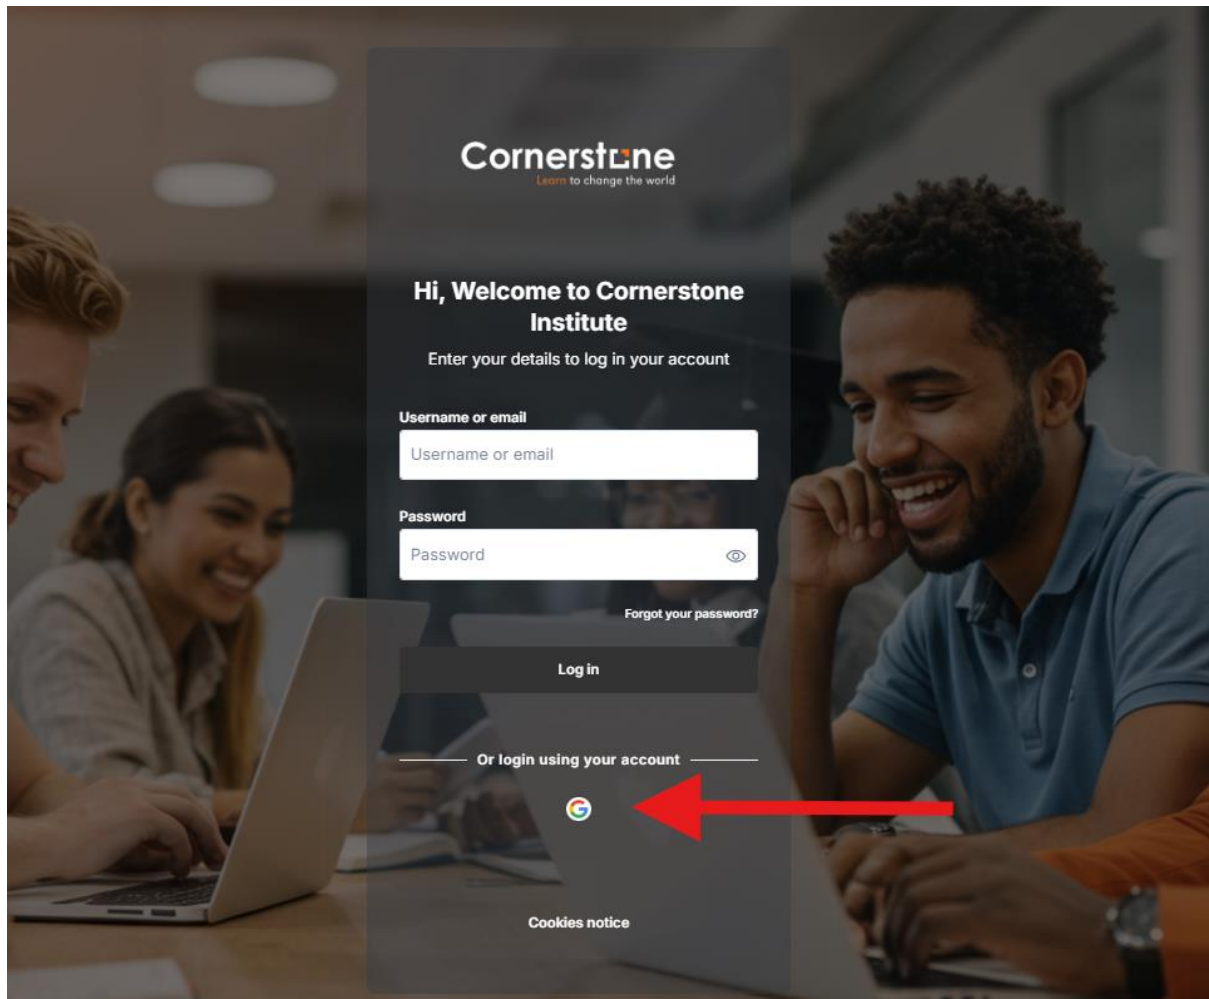

Cornerstone Institute has officially transitioned to a new Learning Management System (LMS) platform hosted on **Moodle**. All teaching, learning, assessments, resources and modules will now be accessed at: <https://moodle.cornerstone.ac.za>

🔑 HOW TO LOG IN TO MOODLE (IMPORTANT)

All 2026 registered students are issued a Cornerstone Student Email Account as part of their UniSIS registration.

👉 To log in to Moodle:

1. Please ensure that you have successfully logged into your **Cornerstone Student Email Account** via the **Google Chrome** web browser <https://mail.google.com/>, in order to access your Moodle LMS Account
2. Open a New Tab and Go to <https://moodle.cornerstone.ac.za>
3. Click the “**Sign in with Google**” icon
4. If prompted, enter your Cornerstone Student Email Address and Password

Important Notice:

- Do **not** enter a Username and Password directly on the Moodle login page.
- Access is via **Google Single Sign-On (SSO)** only.
- As indicated by the **red arrow** in the image provided above, click on the **Google icon** (the “G” logo).

If you have not yet received your Cornerstone Student Email Account credentials, please email IT Support immediately at: ✉️ helpdesk@cornerstone.ac.za

📖 COURSE & MODULE ENROLMENT INFORMATION

- The modules you are registered for will be automatically added to your Moodle profile.
- Course modules will appear on your dashboard before/by the start of **Semester 1, 2026**.
- No additional action is required from you at this stage.

2026 ACADEMIC YEAR & SEMESTER COMMENCEMENT DATES

Information regarding the **2026 Academic Year**, including **Semester Commencement Dates, Recess Periods, and Key Academic Milestones**, are available in the attached official **Student Academic Calendar for 2026**.

Students are encouraged to familiarise themselves with these dates by visiting:
